Eye Contact: Engages all members of the audience through extended eye contact (3)	Looking at entire audience <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> Reading paper / Ceiling	Really good, but try to be more direct and balanced.
Gestures: Uses meaningful hand gestures that enhance the audience's understanding (3)	Meaningful / Enhancing <input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input checked="" type="checkbox"/> Random / distracting	I didn't see many: mainly just lifting your cue cards up and down.
Content: The main topic is clearly and effectively introduced using effective evidence. (3)	Topic and Key points clear <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> No topic/No key points	Great!

More Comments: Your presentation began with an adequate greeting and self-introduction, but it could have been much more energetic and positive.

Print is a bit too small and light to be considered "large and clear". Also, the cards are not numbered.
